

Goulbourn Middle School Instrumental Music

Welcome to Music at GMS!

Next year your child will be playing an instrument in Music class, a wonderful opportunity to learn something new, think critically and creatively, and discover many ways that brain development is enhanced through playing an instrument.

It is at this time of year when we reach out to parents and students through our feeder schools to make a decision about the instrument they would like to play next year. If you already know what instrument they would like to play next year, please complete their **Instrumental Music registration form online**. We have created a website strictly for this purpose; to be convenient, efficient, and to be more environmentally friendly.

Registration will open on Tuesday, May 29th and will close on Friday, June 8th.

Please go to the website to register. gmsmusicregistration.weebly.com.

If your child is still not sure what they want to play, we would like to invite your child to participate in the GMS "Instrument Test Drive" event. This is an opportunity for all new incoming students to GMS to "test drive" various instruments in order to make the instrument selection process easier.

***This "Instrument Test Drive" event will take place
Tuesday, May 29th between 6 and 8pm
at Goulbourn Middle School***

For more details on instruments and our music program, please go to the Instrument Information Guide tab on the website gmsmusicregistration.weebly.com and read the document called GMS INSTRUMENTAL MUSIC INFO 2018.

Please feel free to contact Miss Green (samantha.green@ocdsb.ca) if you have any other additional questions. We look forward to hearing your child in instrumental music next year!
