

Welcome to Goulbourn Middle School

We know that this is not the way you had hoped to start your time with us. There is so much we don't know about how September will look, but what we do know is we are thrilled you will be joining our school community!

We are currently working on our WEB Orientation for you! Regardless of what the plan is for September, we **WILL** have Orientation! It might look different than it has in the past, but it will happen! Our WEB Crew is busy getting ready for you as I type!

We thought that perhaps we might put some of your worries to rest. We have created a [Virtual Open House](#) for you! From the front slide, as you move around the slide, there are a variety of links attached to the different pictures. Each of these links takes you to a new document or slide. There is information about WEB (Orientation), the GMS Student Handbook, an information slideshow, and a message from Mrs. Eddy, our Principal.

Once you click on the arrow, you will move "inside" the school. Many of our staff have created Virtual Classrooms/spaces where you can learn a little more about them and their programs. Their classrooms work like the first slide. Clicking the links will take you to a variety of different places.

We know this is not the same as actually getting in the building, but hopefully it will give you a bit of a sense of what you can expect in September.

Until then, be safe and enjoy the summer! We will see you very soon!!

The Greyhound Pack!
